The Finish Line will be the line between a staff displaying an orange flag on the Race Committee boat and the last designated mark of the race course. For downwind finishes in the vicinity of mark 6, the finish mark will be a separate buoy at the port end of the line, designated on the course chart as 6(A). The location of the finish line may be moved as deemed necessary by the Race Committee, provided such a move is in compliance with the procedures set forth in RRS. One end of the finish line will always be an orange flag on an official Race Committee boat. Effective June 30, 2001
